---

---

### **A) Target Audience (age, level of language)**

Beginners (9th form of Basic Education)

### **B) Estimated Time**

1 hour and 15 minutes

### **C) Aims (Rationale)**

To encourage the students to read extensively.  
To encourage them to speak, listen, and write.  
To encourage them to be creative.

### **D) Materials**

Visuals related to the story, the students' text book, and a questionnaire prepared by the teacher.

### **E) Presentation (Pre-Lesson Warm-Up, Instructions and Extended Activities)**

#### ***Pre-Lesson Warm-Up***

(Dealt with at the end of the previous lesson)

Introduce the story through visuals.

Ask the students to read the story at home.

#### ***Instructions***

1. Pair work: The students interview each other, using the questionnaire about the story. Then, they exchange roles.
2. The students report to the class what their partners said.
3. In groups, they produce a summary of the short story.

#### ***Extended or Follow Up Activities (optional)***

The students rewrite the story, taking the roles of real characters.

### **F) Assessment**

After doing the summary, the group members enact the story.
