

## **Title of the Lesson Plan:** The Olympic Games

**Names:** Meriem Matmati, Sarra Jaouadi

**Schools:** Preparatory School of New Matmata, Preparatory School of Ibn Charef - Mareth

**Date:** 16 February 2006

---

---

### **A) Target Audience (age, level of language)**

13 years old, 8th form

### **B) Estimated Time**

35 minutes

### **C) Aims (Rationale)**

To better know about the Olympic Games

### **D) Materials**

Visuals: picture of the Olympic flag and torch, different pictures of Olympic sports  
Board, 2 big papers for the written texts, worksheet

### **E) Presentation (Pre-Lesson Warm-Up, Instructions and Extended Activities)**

#### ***Pre-Lesson Warm-Up***

Look at the pictures of the Olympic flag and torch. Ask them what the five colored circles represent and what they symbolize.

#### ***Instructions***

1. Divide the class into two parts, A and B. Provide each with a set of questions they should try to answer without reading the passages. Write the answers on the board.
2. Stick the passages on both sides of the classroom. Ask Group A to read the passage of Group B and correct their answers. Ask Group B to do the same thing with the answers of Group A.
3. Use a spidergram in which pupils collect their own ideas.

#### ***Extended or Follow Up Activities (optional)***

From the spidergram, pupils write a short paragraph about the Olympic Games.

### **F) Assessment**

Each group of four pupils should collaborate to create a new symbol for the Olympic Games.
