A) Target Audience (age, level of language)

9th form (age 15)

B) Estimated Time

45 minutes

C) Aims (Rationale)

Use language related to music in context
Comprehend a text by answering questions

D) Materials

Pictures of pop singers, wall chart with suggested phrases to use, tape or album (CDs), musical instruments

E) Presentation (Pre-Lesson Warm-Up, Instructions and Extended Activities)

Pre-Lesson Warm-Up

Ask pupils in advance to bring some pictures about pop singers. Pupils will ask each other questions about their favourite stars and their albums (they will look at some hints written on a wall chart)

Instructions

1. Read the introduction (who/what (hobbies)/how) ->poor -> rich ??
2. Read the text silently (reading for gist)
3. Read for details (number of singers, nationality), yes/no, reference and inference questions (this is a frame to teach a grammatical point)

Extended or Follow Up Activities (optional)

Listen and complete a gapped song lyric or script

Use information from a table to write a paragraph about a famous group or singer - this can also be done as group work.

F) Assessment

(same as extended activities)
