Instructions
1. Cooperative work: divide the pupils into 4 groups. Each group should be assigned to read one of the given sections.
2. Ask each group to make questions about the section they have read.
3. The pupils should use these questions to ask other groups about the sections they have read.

Extended or Follow Up Activities (optional)
Each group should report to the whole class what the other groups informed them about.

F) Assessment
Students have to be creative and productive. It's up to the teacher to decide on the type of post-reading activity. It might be a summary, a role play, a dialogue, writing an articles about the dangers of the Internet.
